Coyote V. Acme

Ian Frazier

Coyote V. Acme Ian Frazier

The title essay of *Coyote v. Acme*, Ian Frazier's second collection of humorous essays, imagines the opening statement of an attorney representing cartoon character Wile E. Coyote in a product liability suit against the Acme Company, supplier of unpredictable rocket sleds and faulty spring-powered shoes. Other essays are about Bob Hope's golfing career, a commencement address given by a Satanist college president, a suburban short story attacked by the Germans, the problem of issues versus non-issues, and the theories of revolutionary stand-up comedy from Comrade Stalin. From first to last, this is Frazier at his hilarious best.
