GURLFRIENDS Le'Vonne Barber

Imagine being kicked out of the house at fifteen with no place to go. No friends or family. Thrown away like trash simply because you chose to live your life in a way your family deemed unfit. That's exactly what happened to Duane. Found in a compromising situation with his neighbor he was forced to grow up practically over night. After being assaulted & left for dead a chance encounter brought Peaches into his life. With her by his side he morphed from a caterpillar into a beautiful butterfly in the form of Egypt, the woman he always knew he could be. Peaches is comfortable in the skin she's in. Born a man, Peaches always knew she was a Divafied Queen at heart. A tell it like it is Mother Hen of sorts, Peaches was that gurl, or at least she thought so. Always there to be a voice of reason, even when it wasn't wanted, Peaches was undoubtedly the glue that kept her gurls together and the mastermind behind their schemes. Terri, the more mild mannered reserved one-third of the trio was all about his cash. Not satisfied with the coins he was making Terri set out to make more money by using the tricks of the trade. When faced with a dilemma it takes everything to keep Terri together in the midst of falling apart. Step into your highest, most sexiest heels and take a walk with Egypt, Peaches & Terri as they pimp tranny hoes, sell weed, bust checks and go through the motions of looking for love & acceptance in a world so cold. When life lessons dish out anguish, dilemmas and uncontrollable circumstances all they have to depend on is each other. When you don't have anything else...You always have your GURLFRIENDS!!

From reader reviews:

Eva Stanfield:

The book GURLFRIENDS gives you the sense of being enjoy for your spare time. You can use to make your capable far more increase. Book can to be your best friend when you getting strain or having big problem along with your subject. If you can make studying a book GURLFRIENDS for being your habit, you can get a lot more advantages, like add your own capable, increase your knowledge about a few or all subjects. It is possible to know everything if you like wide open and read a guide GURLFRIENDS. Kinds of book are a lot of. It means that, science guide or encyclopedia or some others. So , how do you think about this publication?

Edward Phillips:

As people who live in typically the modest era should be upgrade about what going on or facts even knowledge to make these people keep up with the era that is certainly always change and progress. Some of you maybe will probably update themselves by looking at books. It is a good choice to suit your needs but the problems coming to a person is you don't know what type you should start with. This GURLFRIENDS is our recommendation to make you keep up with the world. Why, as this book serves what you want and want in this era.

David Smith:

This GURLFRIENDS is fresh way for you who has curiosity to look for some information since it relief your hunger info. Getting deeper you into it getting knowledge more you know or perhaps you who still having tiny amount of digest in reading this GURLFRIENDS can be the light food to suit your needs because the information inside this particular book is easy to get simply by anyone. These books produce itself in the form which is reachable by anyone, yep I mean in the e-book contact form. People who think that in e-book form make them feel drowsy even dizzy this e-book is the answer. So there is not any in reading a publication especially this one. You can find actually looking for. It should be here for anyone. So , don't miss the idea! Just read this e-book style for your better life and knowledge.

Eddie Barber:

As we know that book is very important thing to add our information for everything. By a reserve we can know everything we would like. A book is a group of written, printed, illustrated or blank sheet. Every year had been exactly added. This e-book GURLFRIENDS was filled about science. Spend your spare time to add your knowledge about your scientific research competence. Some people has distinct feel when they reading the book. If you know how big benefit of a book, you can sense enjoy to read a book. In the modern era like right now, many ways to get book that you simply wanted.
