Navigating Teenage Depression: A Guide for Parents and Professionals Gordon Parker, Kerrie Evers

First symptoms of depression often occur during teenage years, and it can be a disturbing and confusing time for families as well as the teenager themselves. How can you tell whether it is just typical teenage ups and downs that will pass, or something more serious? How can we reliably identify and support teenagers with depression?

In this book experienced clinician and researcher Gordon Parker explains how to systematically identify different mood disorders and contributing factors. He and co-author Kerrie Evers explain when clinical treatment is required and outline treatment options. They also discuss the particular challenges faced by adolescents and approaches to effective management.

Drawing on insightful personal accounts from teenagers and young adults about their experiences, and based on extensive clinical research, this is essential reading for every parent, carer or professional looking after a young person with depression.
