...Therefore I Am...: Change how you think and change who you are. Brian Johnson

“The famous 16th century mathematician /philosopher René Descartes said, ‘I think therefore I am.’ In the early 20th century a fellow mathematician and scientist Albert Einstein said, ‘Your imagination is your preview of life’s coming attractions.’ Recently in the pilot episode of the TNT’s Perception, Professor Daniel Peirce while teaching his psychology class says, ‘Reality...is a figment of your imagination.’ In this book Dr. Brian Johnson puts the veracity of these ideas in a unique, Divine perspective, ‘God thinks of me, therefore I am, but what I think of myself defines my limits.’ Have you ever ‘imagined’ what it would be like to take the limits off our thoughts and think about yourself as the Infinite God thinks of you? Through Bible based teaching, laced with the Hebraic concepts of its language, Dr. Brian challenges you to take the limits off and imagine, SEE, as God sees. In revealing what Jesus Christ opened to us in His relationship in and to the Father, we can come to realize as the title says, ‘...Therefore I AM...’ and it will change everything!”
