## Treatment of Cancer Sixth Edition

**Treatment of Cancer, Sixth Edition** is a multi-authored work based on a single theme?the optimal treatment of cancer. A comprehensive guide to modern cancer treatment, it supports an integrated approach to patient care including radiotherapy, chemotherapy and surgery.

The sixth edition has been completely updated to create a useful, practical guide focused on the management of individual tumour types. The characteristic didactic approach to patient care of previous editions is retained, but now with greater consideration to the options available. This book is a valuable resource for trainees, oncologists, radiation oncologists, surgical oncologists, and haematologists.
