Vistas of Infinity - How to Enjoy Life When You Are Dead Jurgen Ziewe

This book deals with the reality of our life after death, not spirit communication, but actual visits with all sensory perception in tact using Out-of-Body travel. Jurgen Ziewe has spent over forty years refining his OBE skills via a lifelong practice of deep meditation. The author projects his consciousness into parallel dimensions and non-physical reality systems whilst retaining full waking awareness throughout. He probes into the infinite vistas of human consciousness and brings back detailed accounts of his journeys and observations. The reports gathered followed a strict research protocol, where the author interviewed dead people and visited the higher dimensional realities, from the darkest places to the most illuminated regions of cosmic consciousness and realms which are traditionally referred to as 'Heaven'. These are lively, first-hand accounts providing a narrative which is destined to revolutionize old concepts and perspectives.
