## **Reading Fluency: Reader's Record C** Camille Blachowicz

Jamestown's Reading Fluency series, a research-based approach to increasing fluency, can help students become more fluent readers. Students work in pairs and, at comfortable levels, practice reading aloud smoothly, accurately, and expressively. One student reads aloud a narrative fiction or nonfiction passage from the non-consumable Reader. A partner uses the consumable Reader's Record, marking errors and scoring the oral reading. Repeated readings encourage students to improve their fluency.

#### **John Hill:**

As a pupil exactly feel bored to be able to reading. If their teacher inquired them to go to the library or make summary for some publication, they are complained. Just small students that has reading's internal or real their interest. They just do what the educator want, like asked to go to the library. They go to presently there but nothing reading very seriously. Any students feel that examining is not important, boring in addition to can't see colorful pictures on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Reading Fluency: Reader's Record C can make you experience more interested to read.
