Twelve days to entice her...

Two years, two missed opportunities and Blaine Tucker refuses to have another chance pass him by. This Christmas he's going to risk it all to have Simone Michelson. Unfortunately the woman of his dreams, his wants and desires ties his tongue into knots. She's kind, sexy and funny as hell. Even if she could see him in a new way, he's not sure if the heartache of her past will stand in their way. There's only one solution: entice her with gifts. The kind of gifts that don't say he's a nice guy. A nice guy who also happens to be her boss.

Who in their right mind would take one look at Mousy Simone and want to leave her seductive gifts and love notes? No one she can think of. She hopes like hell it's Tucker, but if he felt anything for her, he'd have said it by now. The man could smile at any woman and get her to forget her name or morals. He's vibrant and she's drab. He's nice and she's prickly. Even if her Christmas wish came true, how could she trust what he felt was real?

Together they must face their fears and doubts to make this year's Christmas unforgettable.
