John Miller

The Restoration and the England of Charles II (Seminar Studies In History) John Miller

This key *Seminar Study* was first published as *Restoration England: The Reign of Charles II* in 1985. Unavailable for several years, the book has now been heavily revised, and expanded, to take account of over ten years of new scholarship. In particular, the Second Edition reflects new work done on political parties, the constitution, taxation, the church, and the legacy of the civil wars. As ever primary documents illustrate points raised in the text and an extensive bibliography directs readers to further reading. New for this edition is a chronology of the main events in Charles II's reign which, given the thematic treatment of the reign, readers are likely to find particularly useful.

When Charles II was restored to the throne in 1660 the event was widely greeted as a return to normal after the upheavals of civil war. In this short study Professor John Miller explores how far this was true and how far the civil wars had, in fact, weakened (or strengthened) the monarchy. The book divides neatly into two: in the first part the 'Restoration Settlement' of 1660-4 is examined in detail; and, in the second, the salient features of government, politics and religion under Charles II are considered, seeking to show how well the restored regime worked in practice. Throughout, complex issues of change over time are explained as clearly and concisely as possible and the Restoration is placed in the wider context of the development of England in the seventeenth century.

From reader reviews:

Arnold Grigg:

The book *The Restoration and the England of Charles II (Seminar Studies In History)* can give more knowledge and information about everything you want. Exactly why must we leave the best thing like a book *The Restoration and the England of Charles II (Seminar Studies In History)*? A number of you have a different opinion about book. But one aim that book can give many facts for us. It is absolutely suitable. Right now, try to closer with the book. Knowledge or details that you take for that, it is possible to give for each other; you are able to share all of these. Book *The Restoration and the England of Charles II (Seminar Studies In History)* has simple shape however, you know: it has great and big function for you. You can appearance the enormous world by wide open and read a reserve. So it is very wonderful.

Marsha Young:

Information is provisions for individuals to get better life, information nowadays can get by anyone on everywhere. The information can be a information or any news even a problem. What people must be consider while those information which is inside the former life are challenging be find than now's taking seriously which one is acceptable to believe or which one often the resource are convinced. If you have the unstable resource then you obtain it as your main information we will see huge disadvantage for you. All of those possibilities will not happen throughout you if you take *The Restoration and the England of Charles II (Seminar Studies In History)* as your daily resource information.

Oliver Lyle:

Reading a reserve tends to be new life style in this era globalization. With examining you can get a lot of information that can give you benefit in your life. Together with book everyone in this world can share their idea. Ebooks can also inspire a lot of people. Many author can inspire their particular reader with their story or maybe their experience. Not only the story that share in the guides. But also they write about the knowledge about something that you need instance. How to get the good score toefl, or how to teach your kids, there are many kinds of book which exist now. The authors on earth always try to improve their talent in writing, they also doing some research before they write on their book. One of them is this *The Restoration and the England of Charles II (Seminar Studies In History)*.

Eliza Gold:

This *The Restoration and the England of Charles II (Seminar Studies In History)* is great e-book for you because the content which can be full of information for you who always deal with world and possess to make decision every minute. This kind of book reveal it data accurately using great organize word or we can say no rambling sentences inside. So if you are read this hurriedly you can have whole details in it. Doesn't mean it only will give you straight forward sentences but tricky core information with beautiful delivering sentences. Having *The Restoration and the England of Charles II (Seminar Studies In History)* in your hand

like having the world in your arm, information in it is not ridiculous just one. We can say that no guide that offer you world in ten or fifteen moment right but this reserve already do that. So , this really is good reading book. Hey there Mr. and Mrs. occupied do you still doubt in which?
