Zen Flesh, Christian Bones Peter Jackal

"Zen Flesh, Christian Bones" is a unique book that presents an entirely fresh and entertaining perspective on the timeless search for and discovery of Truth. To those on the path to ultimate understanding, it will be seen as a vital contribution to the exploration of human awareness as it reveals the nature of the sudden enlightenment experience using the traditions and language of the Christian bible.

It's unique and exciting approach will appeal to:

- Zen Buddhists and anyone who enjoys Zen stories.
- Those with an interest in esoteric Christianity or Christian mysticism.
- Devotees of enlightenment everywhere.
- Everyone who wants to catch a glimpse of transcendent reality.
- Serious seekers of the truth from all religious backgrounds.
- Exhausted and despairing souls, jaded by the paradoxes and pitfalls of the self-improvement path.
- The person who has a long line of self-help volumes on his or her bookshelf.
- Anyone who enjoys a damn good story with a disturbing and unexpected twist.

"Zen Flesh, Christian Bones" is not a compromise between two ancient religious paths. Rather it is a blinding white spark of light, ignited when these two colossal traditions collide head on. It is as sharp as a razor: a scythe to harvest a new and wild strain of wisdom, fresh with hybrid vigour and bold, new insight. It is the flowering of the sudden enlightenment tradition, startling and bright in the green pastures in which a great religion has lain down to sleep for over two thousand years.
