15, The Human Punching Bag David Bryant

When a corrupt church rises to international dominance, a fortune teller predicts a teenage musician will bring about its demise. Reality and the supernatural collide in this transgressive urban fantasy, in which an unusual protest band starts a movement to save the world. One member can see dead people, one has prophetic dreams, and one may be the second coming of Christ. This book is the second in a trilogy of books exploring celebrity worship, religious worship, and mass media martyrs throughout history.
