Textbook of Clinical Echocardiography

Catherine M. Otto, Alan S. Pearlman

Textbook of Clinical Echocardiography Catherine M. Otto, Alan S. Pearlman

This textbook on general clinical echocardiography is intended to be read both by individuals new to echocardiography and by those interested in updating their knowledge in this area. For physicians in practice, this textbook provides a concise and practical update on clinical echocardiography. After introductory chapters on practical ultrasound physics, normal tomographic views and flow patterns, and indications of echocardiography, the remainder of the book is organized by disease category.
