## **The Stooges: The Authorized and Illustrated Story** Robert Matheu

Formed in Ann Arbor, Michigan, in 1967, the Stooges are icons of modern rock, influencing the fledgling sounds of punk, heavy metal, and hard core. From the beginning, lead singer and provocateur Iggy Pop (b. James Osterberg) astounded audiences with his outrageous stage performances, accompanied by guitarist Ron Asheton, his drummer brother Scott Asheton, and bassist Dave Alexander with their raw and bracing sound. The group disbanded in 1974, but reunited in 2003 to play before a vastly expanded fan base of over 10 million devotees worldwide, and they continue to tour today.

In this book, rock photographer Robert Matheu compiles the first ever authorized book about the band, including iconic photographs, classic interviews, and vintage articles and ephemera dating from the band's breakout performances in Detroit in the late 1960s through their most recent shows in 2009. With new interviews from every significant member of the Stooges, past and present, previously unpublished photography, and a Stooges discography, *The Stooges* is the definitive book about this trailblazing band.
