Rhinos rock out. Alligators stroll under limbo polls. Elephants pound the piano. Pelicans cater.

Ever wonder why the animals at the zoo are always so sleepy? *What the Sleepy Animals Do at the Audubon Zoo* will answer your questions once and for all.

When Renee asks her father why the zoo animals are snoozing all day, he dreams up an elaborate answer. At night, the monkeys steal the zookeeper's keys, and all of the animals come out of their cages to dance, eat, and play. By the time the visitors arrive in the morning, the animals are all tuckered out. Renee doesn't believe her father's tale, but dads have a way of being right about these things...

The manuscript was awarded **Best New Orleans Children's Book** at 2012 New Orleans Children's Book Festival.

A whimsical, fantastical tale *Times Picayune/NOLA.com*
