But getting here has not been a simple story of medical progress. In *Blood and Guts*, veteran science writer Richard Hollingham weaves a compelling narrative from the key moments in surgical history. We have a ringside seat in the operating theater of University College Hospital in London as world-renowned Victorian surgeon Robert Liston performs a remarkable amputation in thirty seconds?from first cut to final stitch. Innovations such as Joseph Lister's antiseptic technique, the first open-heart surgery, and Walter Freeman's lobotomy operations, among other breakthroughs, are brought to life in these pages in vivid detail.
