## Complete Series Witch & Wizard (Witch & Wizard, The Gift, The Fire, The Kiss) (Witch & Wizard) James Patterson

WITCH & WIZARD 15-year-old Wisty and her older brother, Whit, have just had a rude awakening...literally. Torn from their beds by forces of the New Order, and thrown into a secret prison, the two teens try to fight their growing despair that began the day before, when Whit's girlfriend, Celia, was spirited away in a black van. Then something extraordinary happens: Wisty and Whit suddenly develop strange powers they manage to control, somewhat awkwardly, to make their daring escape. THE GIFT This time, they must defeat the New Order and save their parents and kids like themselves who have been imprisoned. But the One has a much different agenda: he wants Wisty, for though she does not know it, she has "the Gift." hing feared by the New Order is music. THE FIRE hit and Wisty Allgood have sacrificed everything to lead the resistance against the merciless regime that governs their world. But the growing strength of the siblings' magic hasn't been enough to stop the evil rampage of The One Who Is The One, and now he's executed the only family they had left. Wisty knows the time has finally come for her to face him. But her fight and her fire only channel more power to this already invincible being. The Kiss Whit and Wisty Allgood have finally triumphed over the evil that has long overshadowed their world with their defeat of The One Who Is The One. But it isn't long before the city is again threatened. The adults on the governing Council want to control the use of magic in the city, and a fearsome Wizard King threatens war. As Wisty begins a new relationship with an intense and mysterious boy and the pressures of leading the city bear down on them, Whit and Wisty find themselves growing apart.
