Managers in sales, marketing, operations, and human resources - and small business owners - need to understand how the numbers work for their businesses. But not everyone has a background in finance and accounting. "Finance for Non-Financial Managers and Small Business Owners, 2nd Edition" helps managers understand the basics of finance so that they can make informed financial decisions. From the fundamentals of cash management, understanding statements, and monitoring cash flow to banking, planning, and obtaining capital, this book defines key terms, reviews important concepts, and offers clear explanations and examples. "Finance for Non-Financial Managers and Small Business Owners, 2nd Edition" eliminates the confusion and lets the manager put financial information to work!
