One, Two, Three, Follow Me! Math Puzzles and Rhymes (Kathy Schrock's Every Day of the School Year Series) Linda Armstrong

This book focuses on counting and simple math, and contains thirty-two original response verses that are designed to teach and reinforce early math skills. Associated with NCTM Standards, these creative activities strengthen the key math skills students are required to master. Reproducible activity pages, including a mix of puzzles, patterns, creativity-boosters, and exercises, follow all verses. The chants consist of modified verse patterns from public domain songs, sports cheers, and folk sources. It is a great resource for teaching counting and simple math to kindergarten and first-grade students.
