This themed correlation of activities is intended to assist primary educators in extending and integrating theme based student learning within current classroom curriculum and instructional practice. We have chosen a format that addresses a wide variety of learning styles and approaches. All of the activities included in this themed packet are designed to meet current educational standards in an exciting and innovative manner. We have chosen our favorite classroom activities, all of which are based upon quality children's literature within a "pumpkin" theme. The following components have been included to offer you a wide variety of activities from which to choose. Although many of these activities were originally designed for use in our kindergarten classroom, they can be or have already been easily adapted to meet the needs of the pre-school or primary classroom as well.
