Adam and Eve worked. Jacob and Joseph worked. So did Ruth, David, Daniel, Jonah, Martha, Priscilla and Aquila, Paul — and most people in the Old and New Testaments.

In *Work Matters* marketplace theology expert R. Paul Stevens revisits more than twenty biblical accounts — from Genesis to Revelation — exploring through them the theological meaning of every sort of work, manual or intellectual, domestic or commercial. Taken together, his short, pithy reflections on these well-known Bible passages add up to a comprehensive, Bible-based theology of work — one that will be equally useful for seminars, classes, Bible studies, and individuals seeking to grasp more fully the theological dimensions of their daily labor.
