Death Passage on the Hudson: The Wreck of the Henry Clay

Kris A. Hansen

Death Passage on the Hudson: The Wreck of the Henry Clay Kris A. Hansen

This is a documented, non-fiction account of the worst steamboat disaster to occur on the Hudson River. Speculation arose at the time that a race between the Henry Clay and the steamboat Armenia was the true cause of the disaster. Others denied the accusations. *Death Passage on the Hudson: The Wreck of the Henry Clay*, in a two-part, single volume, is the story of this 1852 tragedy. In the first part, the author brings to life the personal stories of several victims and survivors set within the tragic circumstances of disaster. Some passengers of prestigious stature became victims while others, normally ordinary people, became heroes. In the second part, employing witness testimony and legal documents, the author details the public's search for truth at the official inquest and the legal wrangling in the courts.

From reader reviews:

Marvin Perdue:

In this 21st millennium, people become competitive in every single way. By being competitive today, people have to do something to make themselves survive, being in the middle of the actual crowded place and notice through surrounding. One thing that occasionally many people have underestimated the item for a while is reading. Yeah, by reading a book your ability to survive enhances then having a chance to remain than other is high. To suit your needs who want to start reading any book, we give you this Death Passage on the Hudson: The Wreck of the Henry Clay book as nice and daily reading publication. Why, because this book is usually more than just a book.

John Townsend:

Nowadays reading books become more than want or need but also turn into a life style. This reading behavior gives you a lot of advantages. The benefits you get of course the knowledge even the information inside the book in which improve your knowledge and information. The info you get based on what kind of publication you read, if you want to get more knowledge just go with education books but if you want to experience a happy read one using them for entertaining for instance comic or novel. Typically the Death Passage on the Hudson: The Wreck of the Henry Clay is kind of publication which is giving the reader an erratic experience.

Shari Yung:

Precisely why? Because this Death Passage on the Hudson: The Wreck of the Henry Clay is an unordinary book that the inside of the publication is waiting for you to snap it but later it will zap you with the secret this inside. Reading this book next to it was a fantastic author who has written the book in such an incredible way makes the content inside easier to understand, entertaining way but still conveys the meaning fully. So, it is good for you for not hesitating having this any longer or you going to regret it. This excellent book will give you a lot of rewards than the other book gets such as help improving your proficiency and your critical thinking method. So, still want to hold off having that book? If I have been you I will go to the publication store hurriedly.

Susan Williams:

That book can make you feel relaxed. This specific book Death Passage on the Hudson: The Wreck of the Henry Clay was brightly colored and of course has pictures on there. As we know that book Death Passage on the Hudson: The Wreck of the Henry Clay has many kinds or genres. Start from kids until young adults. For example Naruto or Private investigator Conan you can read and feel that you are the character on there. Therefore, not all of the books usually are made to bore you, any of them can make you feel happy, fun and relaxed. Try to choose the best book to suit your needs and try to like reading which.
