Learn Ruby: The Beginner Guide: An Introduction to Ruby Programming Jake Day Williams

Ruby Programming

Learn Ruby Programming was written for both new programmers and those wanting to learn another language. If you ever wanted to explore the Ruby programming language without committing to weeks of your time, this book is for you. I've taken everything from my tutorial videos and consolidated them into this perfect collection of coding exercises.

Video Tutorials Included

Most the lessons in this book have a corresponding video that can help solidify the concept being taught. Video links are at the end of the book. New videos that go even further than the book are added often. If you have questions on a particular topic, check to see if there's a video for it. If there is, check the video's comment section to see if the question has been asked and answered already. If it hasn't, leave your question in the video's comment section. I will work to answer it as soon as possible.

About Me

My name is Jake Day Williams. I teach programming at Wild Academy.
