## Glamour Girls: Femme/femme Erotica

This work is an arousing and entertaining collection of erotica concentrating on the oft overlooked femme/femme pairings. It is an erotic collection filled with fierce, fabulous, passionate, intelligent women who seek out what they want even if it means going undercover...In these 26 stories are tales of femme/femme attraction and explicit, unfettered sex. "Glamour Girls" is more than just a collection of truly hot erotica, it's also a celebration and exploration of sameness and difference, of the fact that women who may look alike may or may not think, act and desire alike. It is, ultimately, about looking beyond the surface and about attractions that run deeper than lipliner. What makes this collection truly special is that the contributing authors respect and value 'femmeness' in their portraits of bold femme women who desire other femmes, and explore the glorious confusion and arousal that their desires bring them. "Glamour Girls" is sexy and sensual while it explores issues of bisexuality, burgeoning desire, gender roles, appearance and power - all within an erotic context. It gives voice to femme-loving femmes and acknowledges their well-deserved place within the queer community, showing that femme/femme desire is far more than a male-authored fantasy - it is an authentically lesbian experience.
