Angel Falls: A Novel Kristin Hannah

When Mikaela Campbell, beloved wife and mother, falls into a coma, it is up to her husband, Liam, to hold the family together and care for their grieving, frightened children. Doctors tell Liam not to expect a recovery, but he believes that love can accomplish what medical science cannot. Daily he sits at Mikaela's bedside, telling her stories of the precious life they have built together, hoping against hope that she will wake up. But then he discovers evidence of his wife's secret past: a hidden first marriage to movie star Julian True.

Desperate to bring Mikaela back at any cost, Liam knows that he must turn to Julian for help. But will that choice cost Liam his wife, his family, and everything he holds dear? One of Kristin Hannah's most moving novels, *Angel Falls* is a poignant and unforgettable portrait of marriage and commitment, of an ordinary man who dares to risk everything in the name of love.
