No Graven Image Elisabeth Elliot

First published in 1966, No Graven Image is the only novel of the best-selling author Elisabeth Elliot. Margaret, an intrepid twenty-five-year-old missionary, travels to the Andes Mountains of Ecuador to start her ministry. She sees little progress at first, but eventually gains a following and an enhanced reputation for her part in the safe and seemingly miraculous delivery of a breech baby. Things seem to be going well. She works on her translation of the Bible into the Indian language and befriends a native and his family. Then tragedy strikes, shaking Margaret's entire way of thinking. Full of excitement, human emotion, and exotic South American culture and color, No Graven Image is sure to captivate new readers everywhere.
