**The Marvelous Museum: Orphans, Curiosities & Treasures: A Mark Dion Project** Oakland Museum of California, Rebecca Solnit, Lawrence Weschler

What is the role of the museum in contemporary society? Using the Oakland Museum of California as a case study, artist Mark Dion examines how museum practices have shifted over time, what these changes mean for objects in museum collections, and what we can learn about our culture from what's included and what's abandoned. Enclosed in a clamshell case and featuring fourteen specimen cards, this deluxe volume brings the reader into Dion's process and reveals how the order of images can change one's perception of objects. Contributions from celebrated writers, including Lawrence Weschler and D. Graham Burnett, articulate Dion's unique power of examination.
