The Sounds of French: An Introduction

Bernard Tranel

The Sounds of French: An Introduction Bernard Tranel

Tranel's textbook is principally addressed to English speakers who want to improve their French pronunciation. It describes the difficulties typically encountered, explains why they occur and suggests ways to improve them. In addition, from a more theoretical perspective, the book provides readers with a fundamental understanding of the way French sounds are produced and how they behave according to general linguistic principles. Perfect for both relative beginners and more advanced students, Tranel's book draws on contrastive analysis, general phonetics, traditional knowledge, and more modern developments in phonology, historical linguistics, and orthography. Intended for classroom use, the book will appeal to teachers because of its wide scholarship and firm grasp of instructional principles, while students will welcome Tranel's clear style and organization.
