Dialogue and Terror: Judaism, Christianity, and Islam after 9/11

Dialogue and Terror: Judaism, Christianity, and Islam after 9/11

This volume addresses the promise and peril of post-9/11 interfaith dialogue. In fifteen clearly written and insightful essays, distinguished scholars of different faiths and divergent world views guide readers toward an informed understanding of the role of religion and the basic teachings of Judaism, Christianity, and Islam in the aftermath of the September 11 terror attacks on the United States. Acknowledging commonalities, these essays also shed light on the essential differences among the teachings of the Abrahamic traditions and raise pivotal questions regarding humanity's future: What prompted the carnage? What has changed since then? What remains to be achieved? Dispelling ignorance about the religious other is a necessary but only a first step toward achieving a durable and effective dialogue. In an increasingly perilous and interconnected world where the effects of globalization are yet to be fully recognized, interfaith dialogue holds out the hope of genuine movement toward a more peaceful coexistence.
