Why, O God?: Suffering and Disability in the Bible and the Church

Why, O God?: Suffering and Disability in the Bible and the Church

With two in seven American families affected by disability, the body of Christ has a great opportunity. As we're called to minister to those walking through deep suffering, we need to learn to do so with wisdom and sensitivity.

Joni Eareckson Tada and others with disabilities, as well as seminary professors, ministry leaders, and medical professionals, do more than offer a biblical perspective on suffering and disability; they draw from very personal experiences to explore Christians' responsibility toward those who suffer—all the while reminding us that as we seek to help the hurting, they will minister to us in return.
