Equine artist Carrie L. Lewis describes step-by-step the process she uses to create colored pencil drawings using the complementary under drawing method.

Colored Pencils: The Complementary Method Step by Step is based on the colored pencil drawing, Green Pastures (shown on the cover above), and shows in detail how Carrie drew the under drawing, then developed the drawing by layering color over the under drawing.

But it's more than just a how-to book.

In addition to a demonstration of the complementary under drawing method, the book features technical tips on pencils, papers, and methods. It also includes a materials list and a color wheel complete with instructions.

Colored Pencils: The Complementary Method Step by Step is filled with detailed instruction for artists from the beginning level to advanced and for anyone who wants to try their hand with colored pencils or for anyone who wants to try colored pencils for the first time.
