Do It Yourself ... Easy!

Every homeowner knows that if you wait long enough, a home project will pop up. Whether out of *need* (broken light switch), or because of a *want* (a dimmer switch to improve the ambience), there are always electrical projects around the house.

For most homeowners, household fix-it projects aren't a daily occurrence, and the knowledge to perform even some of the simplest projects isn't common knowledge.

For author **Ron Hazelton**, these projects are daily occurrences and in this book he walks you, step-by-step, through the most basic and most common electrical projects all homeowners will encounter. Even if you've never picked up a screwdriver, you'll be able to easily follow the steps to electrical home repairs and improvements.

Projects in this book include:

- Adding a new outlet or switch
- Install low-voltage outdoor lighting
- Replacing a light fixture
- Install a programmable thermostat
- Install a ceiling fan
