Naked Truth

Jordan Sarah Weatherhead

Naked Truth Jordan Sarah Weatherhead

Open the pages to 'Naked Truth' and you'll find yourself entering the mind of a young woman who sees the world similar to how each and everyone of you do, but explains it differently and intensely. Through the art of rhyming and poetry Jordan Sarah Weatherhead writes about things from timeless issues that affect everyone, such as love, discrimination, and self-discovery, up to things that are current or may only reach out to a certain audience, such as the war in Iraq, drinking, and sex. At times "Naked Truth" becomes dark and ominous, while remaining raw and real. This book offers a wide variety of poems which offer hope and encouragement. Whether it's a chapter about magic and myth or travel and nature or even deployment and long distance love, Weatherhead stays brutally honest and vividly descriptive, from beginning to end. No matter the chapter you'll find her poetry easy to read and even more so, easy to relate to. So open the cover and dive into a world where everyday life and challenges are explained in a way you've never heard before. Enter a world where no matter how low or down you may be in your life, you are not alone. There is always a brightness leaking under the door of a dark room. Always a perfect streaked arch ready to paint the sky after the clouds are done crying, and, things no matter how bad they get, will always get better. And this book will prove that.

From reader reviews:

Catherine Walters:

Hey guys, do you desire to find a new book to study? Maybe the book with the headline Naked Truth suitable to you? The book was written by popular writer in this era. The actual book entitled Naked Truth is the main one of several books that everyone reads now. This specific book has inspired lots of people in the world. When you read this publication you will enter the new age that you never know ahead of. The author explained their idea in a simple way, so all of people can easily know the core of this e-book. This book will give you a large amount of information about this world now. To help you see the representation of the world in this book.

David Hester:

Reading a publication tends to be a new life style in this era of globalization. With looking at you can get a lot of information which will give you benefit in your life. Using books everyone in this world may share their idea. Publications can also inspire a lot of people. Plenty of authors can inspire their readers with their stories or their experiences. Not only the story plots that share in textbooks, but also they write about the data about something that you need, for instance, how to get a good score on TOEFL, or how to teach your young ones, there are many kinds of books which exist now. The authors nowadays always try to improve their skill in writing, they also do some exploration before they write on their books. One of them is this Naked Truth.

Rosalie Lloyd:

Playing with family in a park, coming to see the marine world or hanging out with buddies is something that usually you have done when you have spare time, and then why don't you try factors that are really opposite from that. Just one activity that makes you not feel tired but still relaxing, thrilling like on a roller coaster you already have ridden and with the addition of information. Even if you love Naked Truth, you are able to enjoy both. It is an excellent combination, right, you still would like to miss it? What kind of hangout is it? Oh seriously it's mind hangout for people. What? Still don't get it, oh come on it's identified as reading friends.

Carlos Vickers:

In this particular era which is the greater individual or who has the ability to do something more are more treasured than others. Do you want to become one among them? It is just a simple approach to have that. What you have to do is just spend your time not much but quite enough to have a look at some books. One of the books in the top checklist in your reading list is usually Naked Truth. This book that is certainly qualified as The Hungry Hillside can get you closer in growing to be a precious person. By looking upward and reviewing this resource you can get many advantages.
